Chief Secretary to the Govt. of Mysore.

Sir,

I have the honour to submit herewith copies of my lett Mis.117739 of the 20th instant to the Deputy Commissioner, Mysore, and his reply No. F.1963 of the 21st idem regarding the closure of the Provincial Grain Depot at Mysore. When consulted the Honorary President of the Mysore City Municipality, about this matter, he also agreed that there was nc longer any necessity to keep up a Provincial Depot and that all grains required for the City may be consigned to him direct. There is no prospect of getting any more Mysore rice from the mills and the balance of the mill rice now in stock (2,527 pallas) will after making provision for the requirements of the Mysore City be distributed among the several districts and other local areas. The Secretary to the Industries and Commerce Committee has asked that the Exhibition buildings where the Provincial Depot is now located, may be vacated at an early date for arrangements connected with the next Dasara Industrial & Agricultural Exhibition.

In these circumstances I have the honour to request sanction to the closure of the Provincial Depot at Mysore

as early a date as possible so that the Ex
gs may be vacated by the 31st July 1919.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director
of Civil Supplies in Mysore

Letter No. Mis.11773 dated 20th June 1919 from the Food Controller & Director of Civil Supplies in Mysore Bangalore, to the Dy. Commissioner, Mysore District.

With reference to your letter No. F.1963/18-19 of the 17th June 1919, regarding the charge of the Provincial Grai Depot at Mysore, I have the honour to state that as ragi fr other districts is not now coming into the Mysore Depot the does not seem to be any reason to continue the depot as a P vincial depot. All the stock of grains required by the President of the Municipality can be consigned to him direc from here and any stocks required by you for the district m either be kept in a district depot under your direct contro or can be consigned to you from Bangalore as occasion may require. In the circumstances, I request to be favoured wi your opinion as to whether the Provincial depot may not be

2. I may add that the Exhibition building in which the rovincial Depot is now located will have to be vacated at east by the end of July.
